You can't evict a movement -
you can't evict solidarity
Borderless solidarity with migrants' squats and housing struggles in Greece and everywhere!
Our passion for freedom is stronger than their prisons!
After the evictions of the squats in Thessaloniki in July 2016, almost 100 activists are facing trial. We stand together and we won't be intimidated!
Donate, support the anti-repression campaign, get creative and squat new spaces!
